

### REMARKS

For the reasons stated below, Applicant respectfully submits that all claims pending in this application are in condition for allowance.

In the specification paragraphs [0047] and [0082] have been amended. In particular, in paragraph [0047], reference markers for elements in Figure 2 have been amended from letter form to numeral form. The numeral form for the reference markers corresponds to the convention used to indicate scatterometer elements in Figure 2, while the previously used letter form corresponds to the convention user to indicate the same elements in Figure 1.

Paragraph [0082] has been amended to indicate an inadvertently omitted reference number.

Accordingly, no new matter has been added.

Claims 1-42 were pending in the application. Claims 21 and 42 have been cancelled and claims 2-20 and 22-41 have been amended hereby to correct matters of form. Accordingly, claims 1-20 and 22-41 will be pending herein upon entry of this Amendment.
